ABOUT NAIRA

HERE YOUR STORY IS HAND-STITCHED *into every thread.*

Naira is an Indian couture house: soft tailoring, pressed flowers and the long quiet of an Indian afternoon. Every outfit is hand-finished and made to measure in our atelier, one at a time.

Naira Petite is the house’s demi-fine jewellery. The same soul in a smaller object: pieces made to be worn every day, light enough to forget you have them on, and finished to keep their colour.

[18k gold coated · rhodium coated]

Heartline Paperclip Necklace, worn.

THE PETITE PROMISE

Gentle on every ear, wrist and finger. True of every piece in these pages.

WATERPROOF

Shower, swim, sweat. Daily wear and water are fine.

All but three pieces are tarnish-free and waterproof as well. The Pearl Legacy Necklace, the Baroque Shell Bracelet and the Verdant Drop Earrings would rather be kept dry; they are marked in the price list.
