ABOUT NAIRA

HERE YOUR STORY IS
HAND-STITCHED
into every thread.

Naira is an Indian couture house: soft tailoring, pressed flowers and the long quiet of an Indian afternoon. Every outfit is hand-finished and made to measure in our atelier, one at a time.

Naira Petite is the house’s demi-fine jewellery. The same soul in a smaller object: pieces made to be worn every day, light enough to forget you have them on, and finished to keep their colour.

[18k gold coated · rhodium coated]

The Naira box, in blush.

THE PETITE PROMISE

HYPOALLERGENIC

Gentle on every ear, wrist and finger. True of every piece in these pages.

TARNISH-FREE

Made to stay gold, through work, travel and the wedding season.

WATERPROOF

Shower, swim, sweat. Daily wear and water are fine.

All but three pieces are tarnish-free and waterproof as well. The Pearl Legacy Necklace, the Baroque Shell Bracelet and the Verdant Drop Earrings would rather be kept dry; they are marked in the price list.
