ABOUT NAIRA

HERE YOUR STORY IS HAND-STITCHED *into every thread.*

Naira is an Indian couture house: soft tailoring, pressed flowers and the long quiet of an Indian afternoon. Every outfit is hand-finished and made to measure in our atelier, one at a time.

Naira Petite is the house's demi-fine jewellery. The same soul in a smaller object: pieces made to be worn every day, light enough to forget you have them on, and finished to keep their colour.

THE PETITE PROMISE

PVD COATED

18k gold or rhodium bonded to the metal in a vacuum: far harder than plating, and anti-tarnish. True of every piece in these pages.

WATERPROOF

Shower, swim, sweat. True of 71 pieces; the twenty-three that would rather stay dry say **keep dry** in the price list.

HYPOALLERGENIC

Gentle on sensitive ears, wrists and fingers. Listed as hypoallergenic on 74 pieces; ask us about any other.

Sizes, lengths and stones for every piece are on its page at nairaflore.com. Rings that come in sizes are US sizes; the size guide is on page 10.
